## THE BEST SPORTING PAGE IN NEW YORK

**EDITED BY** ROBERT EDGREN

Now Let's Have the Four-Cornered Marathon Race, and Find Out Who Is the Real Professional Cham-

about the big race between Shrubb and Longboat. Curienough, although Longboat won, nearly every one who was in the Garden thinks Shrubb would surely collect if the race was run over again. He gained eight laps in eighteen miles so easily, and ran so steadily up to the actual moment of his breakdown, Indian under he would probably have no trouble in beating him over the Marathon distance.

Had Shrubb beaten Longboat as badly as he seemed capable of beating him when the race was three-quarters run fessional Marathons. The interest in the game would have been killed, because there would have been no one to run races between second string men wouldn't draw the crowd. As things stand now, there will probably be two

gold mine for the promoters. Powers meets and have the pick of the runners under their management That's about itself. Johnny Hayes, who struck for more money before the match with Dorando, is "out" with the promoters, and

There are two races that will draw between Shrubb and Longboat, and the

leaves less for the management.

Over \$50,000 on him at Madison Square Garden Saturday night, think he can he ran against Dorando. He tried shorter distance as well as beating him TAYES was in poor condition when to train himself for the race, and over the longer route. that was a mistake. He should have had a professional put him into trim. Too many banquets had upset his condition, and only hard work could put him right again. He has been taking the hard work prescription since, and in he ran a Marathon two weeks from now force the other fellow to do it to win.
Dorando ran ten minutes faster than
Longboat, and Hayes wasn't far behind
in time. It was Hayes's pushing steadily throughout the race that made Dorando go so fast.

Yard Event Against

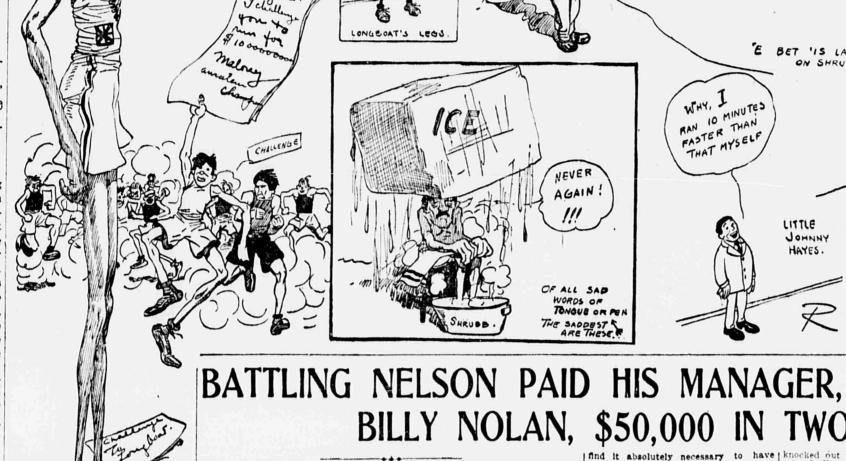

thon business is the turning pro-A thon business is the turning of crack amateurs. For the first time in many years there is money in professional running and the tempta-tion to get more than a medal or a tin watch is hard to resist. Another phase rules that no amateur can accept a prize of more than \$35 in value (first prize). I run in value from \$250 down, according | 125 yards. to the list printed on the entry blank. The race will also mark the initiation

Will Try for New Marks at Games of Forty-seventh Regiment This Week.

onds, and the trainer of the Boston Athletic Association declares he will some time clip off another fifth.

From many angles the event will be interesting to devotees of the athletic game. Cloughan has been the recent wonder of the sprint events, and great things are expected from him, although he will be new at the distance. He will have to step some to outfoot Eckman, the ihampion of the Acorn A. A., of Brooklyn, and, incidentally, Eckman and Cloughan will have to fight out the intercity championship. Any way you look at it the thirteen seconds of sprint is bound to provide more interest and enthusiasm than any like event of the interest of the intercity championship. Any way you look at it the thirteen seconds of sprint is bound to provide more interest and enthusiasm than any like event of the intercity championship. Any way you look at it the thirteen seconds of sprint is bound to provide more interest and enthusiasm than any like event of the intercity championship of the world.

From many angles the event will be during 1904, fighting 115 rounds. I succeeded in winning seven battles, five of twich were won by the knockout with my special left half-scisors hook. I fought one exhibition with Tommy Markham in the copper district of Utah known as Eureka. I lost my first battle with Jinmy Britt, as many of my readers will remember, when Referee Billy championship and the copper district of Utah known as Eureka. I lost my first battle with Jinmy Britt, as many of my readers will remember, when Referee Billy championship and the copper district of Utah known as Eureka.
